

The image features a blue background with an embossed design of the Australian flag. The flag's elements, including the seven-pointed star, the Union Jack canton, and the wavy base, are raised from the surface. The background of the flag is filled with a fine, wavy texture. Two small, seven-pointed stars are embossed in the upper right quadrant. The text "'63" is cut out of the blue material, revealing a brownish-gold interior.

So-Wo 1963

Volume IX

*Southwood School
Kinston, North Carolina*

LINDA HUGGINS

Editor-in-Chief

The staff of the 1962-63 SO-WO hopes that as you turn the pages of this book, the accomplishments, expectations, triumphs, and all other events which have painted the picture of this school year, have been faithfully portrayed. We have worked this year with one goal in mind, "to turn out the best SO-WO yet." As editor this year, I want to take this opportunity to thank everyone who worked so long and hard to make this book a reality.

Linda Huggins

VICKIE LEE

Assistant Editor

Dedication

The IX edition of the SO-WO is dedicated to one who has long deserved the honor. With love and patience, she has taught the primary age students of our school for several years. This faithful person has been an inspiration to all students. As she lingers toward education of the youth, we will always remember:

"Where'er we roam, whatever realms to see.

Our heart untravelled turns to thee."

We dedicate this IX Volume to Miss Helen Faulkner.

School days continue to be the memory making days. We grow in stature, strength, knowledge, and happiness. This growth must not be lost to time. To recall time is impossible, but to recall events is made possible by records, such as this, the IX edition of the SO-WO.

Build the record today so that tomorrow we may call upon it with pride recalling those persons and events. Appreciation for recall grows as years pass. Please make today one that will bring joy forever.

MR. JOHN K. WOOTEN - Principal

We are fortunate indeed to have such a competent secretary in our school. Keeping correct reports and records for our school along with answering our endless questions presents her with a full time job.

MRS. EDWARD POTTER - Secretary

Administration

MR. HENRY H. BULLOCK, Superintendent

Lenoir County Board of Education

The Lenoir County Board of Education, although it is not seen by the students in everyday school life, is the guiding force by which our school functions. With the welfare of the school and the student body in mind, the board has made many of our projects possible.

In Memory

LARRY SMITH

1944-1962

L was for the friendship language he spoke to all of us.
A was for his ability to tease and joke but never to end up in a fuss.
R was for his fine record in school work and in sports.
R was for the deep respect that he received from people of all sorts.
Y was for his yearning to master his work each day.
S was for the smiles which he never failed to pay.
M was for his manners which only a first-class gentleman could show.
I was for his initiative which showed last year as you and I know.
T was for the truth for which he had no fear.
H was for the happiness he brought to his classmates, his sweetheart, his mother, and other loved ones so dear.

Put them together and you have LARRY SMITH **** A handsome, kindhearted and friendly boy, who brought his associates many moments of joy.

Now we must remember that Larry is happy in Heaven up there and that for us to live as usual would be his only prayer.

The Southwood majorettes, as a result of diligent work and long hours of practice, have shown their skill through many fine performances at ball games and parades.

RITA JOHNSON - CHIEF

In addition to leading the Southwood majorettes for the past two years, Rita Johnson has served as chief of the Lenoir County Marching Band during her senior year. Due to her capable leadership, our majorettes have added much to activities throughout the school year.

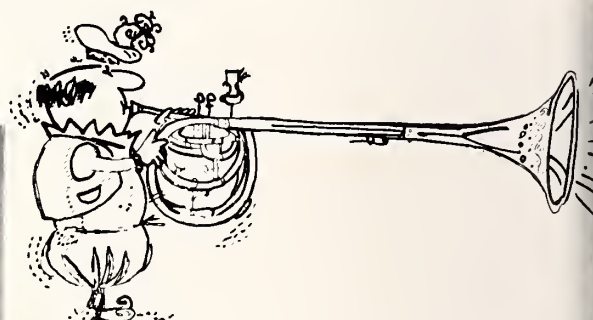

Southwood Band

The Southwood Senior Band under the direction of Mrs. Frances Hilburn has added color and school spirit to the many activities of our school.

They have performed at several basketball games this season. Also, they have marched in parades in Kinston, Wilson, and New Bern. In addition to this, the band entertained students and members of the Southwood community in several concerts. Surely they are to be commended for these fine performances.

OFFICERS

Through the knowledge one gains about leadership, citizenship, and working with others while in FFA, a boy better prepares himself to go out and face the world.

The Southwood F.H.A. officers devote their time in developing themselves to be better citizens and individuals. Their guidance and leadership has added much to our F.H.A. organization.

Future Homemakers of America

Our F.H.A. work in degrees strengthens our education for future roles.

We encourage the youth of our school to make the most of their educational opportunities. Our F.H.A. distributed Bibles among the lower grades.

In our F.H.A. Fair Exhibit we illustrate the values we give our parents by discovering ourselves and our worth to others.

We put into practice our Home Economics training by making Christmas favors for young hospital patients.

Our F.H.A. encourages all students to stay in school and prepare themselves for a future career.

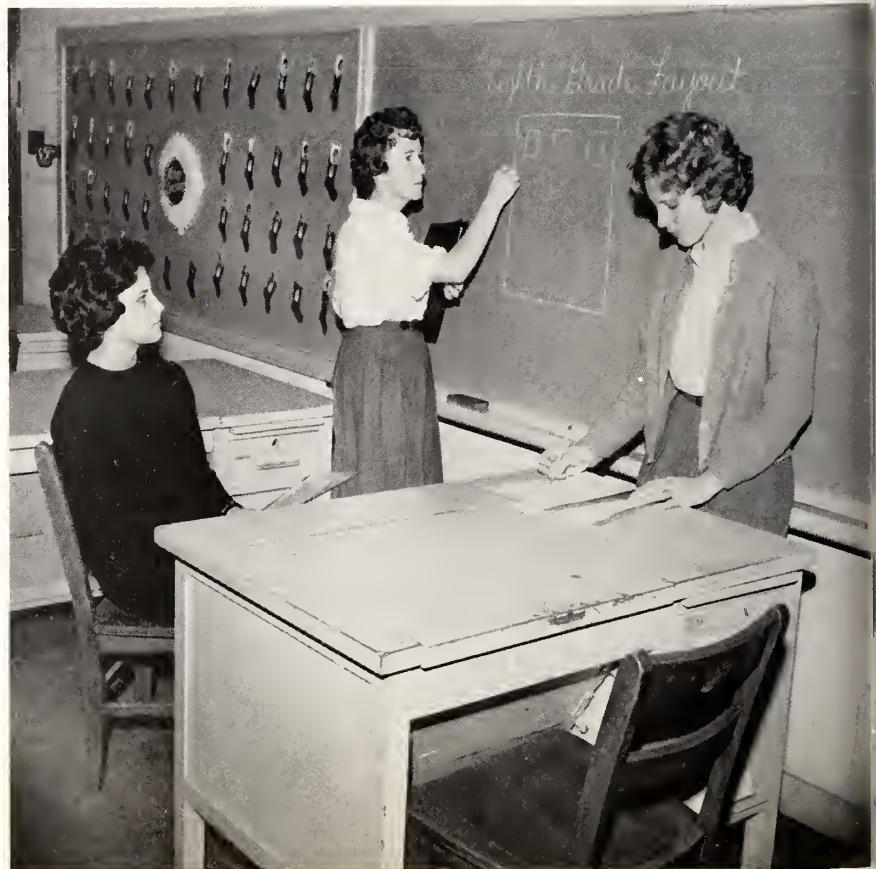

F.H.A. teaches the values of home living.

We broaden our visions and understanding of the world, the people in it, and their culture. Here, our Home Ec. group talks with an exchange student.

Editor Linda Huggins, Business Manager Jerry Rouse, and So-Wo Advisor Mrs. Diana Potter survey the financial condition of the 1963 yearbook. Without their assistance this annual could not have been published.

Assistant Editor, Vickie Lee, Assistant Business Manager, Ann Loftin, and Linda Carol Smith discuss, debate, and draw our layouts.

Toney Lee, Pam Waller, Jacqueline Harper, Nancy Stroud, Janet Rouse, and Carol Kennedy search for ideas in sample annuals.

Our typists, Rita Johnson, Cheryl Bruffey and Ronald Shoulars prepare the final copy sheets.

Athletics

Mr. Horace King has been our distinguished coach for the past two years. Promoting good sportsmanship to fine basketball and baseball teams; he is well liked by the ball clubs, the entire student body, and the faculty. He has led the basketball teams and the baseball teams to unanimous victories for the year 1962-1963. For these reasons and many others, Mr. King will always be praised for the tremendous work he has done at Southwood School.

Here we see Linda Huggins, timekeeper, and Jerry Rouse, scorekeeper, at one of our home basketball games. They are both to be commended for the fine support and loyalty they have given our teams during the past season.

Under the leadership of Cheryl Bruffey, the Southwood Cheerleaders have promoted high spirits and good sportsmanship to the ball players and the fans during the year 1962-63.

Pep Club

As a result from aiding the cheerleaders this year, the members of the Pep Club have experienced "sore throats" and "red hands." They have promoted the team spirit and have cheered our boys and girls to victory night after night.

On February 1, 1963, the Pep Club sponsored our Homecoming Game with the crowning of Southwood's Homecoming Queen of 1963.

P. T. A. Promotes School Activities

Mrs. Martha Bruffey - - - - - President

Mr. Tom Posey - - - - - Treasurer

Mrs. Retha Waller - - - - - Vice President

Mrs. Edna Knudsen - - - - - Secretary

The main objective of the Parent-Teacher Association is to promote a closer relationship between the home and the school. Each year this organization sponsors a Halloween carnival to raise money for various school needs. In the fall of 1962, many members solicited funds for our new activities bus.

The beneficial effect of the Parent-Teacher Association, which has been felt by every pupil and parent of the school district, could be doubled or even tripled if more members of the community were to devote as much service to the organization as do its current leaders and supporters.

BETTER WORK MAKES BETTER JOBS

You can't keep a good man down is an adage which holds water.

High school graduates are all good men, filled with enthusiasm and the desire to make good in life. You can put 10 high school graduates to work in the same department of a company - each doing the same kind of work and with the same opportunity to learn and advance. At the end of a year, two or three will be at the top of their group - the rest will be where they started. Why? Because real value always rises to the top.

The more you put into a job, the more you get out of it. You must give more to your jobs before you can expect more out of them. Maintain at all times a positive, constructive, progressive attitude toward your job. Always think in terms of how things can be done - never in terms of why they cannot.
